Senior Design Project

Spring 2016

Team Selection & Organization

Due Date: _____

TEAM SELECTION AND ORGANIZATION:

Each team will consist of 4-6 students. You may choose your own teams, although teams may be adjusted to accommodate all students. One team member should be chosen as project lead for project organization and management. <u>**All team members are expected to contribute equally to all project deliverables.**</u>

DESCRIPTION:

Write a **<u>one page</u>** description providing the following information:

- Team name
- Team members with their preferred e-mail address.
- Team/project lead.
- Your team guidelines (team procedures, meeting rules, and clear expectations) for completing the senior design project successfully and on time.

Resume:

Include a resume for each team member- resume format and style should be the same for all team members. Limit each resume to 2 pages.

Include a cover page with course title -section, semester, team name, and the title – "Team Selection & Organization"
